

PRIVACY NOTICE OF MANDATORY SOCIAL SECURITY NUMBER USAGE

The West Virginia Department of Revenue and several of its ten agencies are required by either or both state and federal laws to collect and use your social security number in order to complete regular business practices. The Department of Revenue does and will continue to appropriately secure your personal information.

Pursuant to Section 7 of the Privacy Act of 1974, your disclosure of your social security number is mandatory. Social security numbers are required by us to identify and maintain proper taxpayer, licensee, and other financial files in order to fulfill our state mandated duties. Failure to provide a social security number will result in legal action. We have the authority to solicit your social security number pursuant to Section 7 of the Federal Privacy Act of 1974.
